

WELCOME to PETIT PJ PRESCHOOL

We offer exciting programming for 2 to 5 year olds. Times and sessions are flexible to accommodate your family's needs.

OUR PHILOSOPHY

Petit PJ is a play-based and curriculum enriched preschool. Children are invited to freely engage in interactive centres as well as participate in enriched activities in language, math, music, science and physical education. This approach allows for individual differences while stimulating curiosity, creativity and cognitive development. Our goal is to foster in children a sense of wonder and independence while nurturing self-esteem and a cooperative attitude.

ACTIVITIES

- **French** language enriched activities using AIM Approach®. *Children learn plays, songs and vocabulary words while using and repeating specific gestures.*
www.aimlearning.com
- Additional sessions with a French specialist
- Science, Math & Language Explorations
- Thematic Arts & Crafts
- Weekly **Kindermusik**® sessions with a music specialist
- Weekly **Yoga** sessions with a yoga specialist
- Daily physical activity & outdoor play
- Special outings and guest presenters

OUR STAFF

At *Petit PJ Preschool*, our Early Childhood Educators strive to provide a safe and nurturing environment. They are also committed to develop and implement engaging activities for children of all ages and interests. Our highly experienced ECE teachers regularly attend the latest professional courses in preschool, infant & toddler care, and language development using the Aim approach®. They are also fluent in many other languages including Spanish, Farsi and French.

LOCATION

We are conveniently located on the same grounds as École Pauline Johnson Elementary: 1150 22nd Street, West Vancouver. The West Vancouver Rec. Centre, Memorial Library, parks and beaches are all within walking distance.
